

Aurélie Pernel

DESIGN & PRODUCT MANAGER

Hi! My name is Aurélie, dynamic and passionate Designer with over 18 years of rich experiences living in Asia (Hong Kong and Thailand).

After dedicating 7 years working under the DORINA brand, specialised in lingerie, swimwear, shapewear, loungewear and sportswear, I have gained diverse and valuable international experiences.

It is time for me to embrace change and seek new challenges. I am eager to explore fresh opportunities and make a meaningful impact in a new professional environment.

I am excited about the possibilities that lie ahead and look forward to the opportunity to discuss how my background and aspirations align with the vision of your esteemed company.

Thank you for considering my profile, and I am excited to bring my energy, creativity, and dedication to a new and rewarding role.
