100%

ECO

We are committed to reducing our environmental footprint.

ORGANIC COTTON

Grown by special systems minimising impact to the environment.

45% MINIMUM CONTENT

- Grown from non-genetically modified plants
- Free from synthetic agricultural chemicals.
- Reduces water usage
- Biodegradable

RECYCLED PET

Polyester and nylon recycled from plastic bottles and fishing nets.

20% MINIMUM CONTENT

- GRS certified fabrics
- Reduces plastics going to landfill
- Minimises water use
- Minimises CO₂ output compared to virgin plastic

ECO-FIBRE

ECO-fibres made from sustainable wood sources and specially-designed processes.

50% MINIMUM CONTENT

- TENCEL™ fabrics
- Certified compostable and biodegradable
- Specially designed processes fully integrated with nature's cycle
- Recycles water and reuses solvents

99%

of our collection is OEKO-TEX® certified, free from harmful chemicals and compliant within strict guidelines.

DORINA LOUNGE

BEYOND SOFT

Relaxed contemporary styles.

Perfect for wearing at home or out and about. Designed with a combination of **Beyond Soft, breathable Tencel™**, environmentally-friendly **ECO fabrics** with softly brushed modal and micro. Beautiful, long-lasting softness, **incredible comfort** and unique styling.

DORINA LOUNGE features

- 55% ECO fabrics
- Brushed elastics and fabrics for supreme softness
- Beyond Soft surface for a barely-there feel
- Long-lasting colour vibrancy
- Styled to be at ease wherever you go, whatever you do

Kick back, slow down, indulge yourself.
